Newsletter of the Darjeeling Jesuits

MAY-JUNE ~2017

## *From the Provincial's Desk*

A JESUIT IS ONE who **desires the MORE**. In Darjeeling we say ... Moving from the Good to the More! **He is one who lives simply with LESS**. In Darjeeling we say ... So others can have More!

If there was something close to the heart of St Ignatius, it was POVERTY. This is the latest on poverty from GC 36:

**Pope Francis** while speaking to the delegates at GC 36 mentioned that for a Jesuit, “The view of St Ignatius is not just an ascetic attitude, as if to pinch me so that it pains me more, but it is a love of poverty as a way of life, as a way of salvation, an ecclesial way”. The metaphor that St Ignatius uses about poverty is a MOTHER and BULWARK, familiar to all Jesuits. It nurtures and defends our spiritual life. **Pope Francis** cautions us that there were clerical disasters in the Church when poverty was forgotten: “Clericalism,” he says, “if not rich in money, is rich in pride”.

There is one line on poverty I like very much in GC 36, Decree 1: **HOW WE CAN LIVE SIMPLY WITH HAVING LESS**. I appeal to all in the Lord to consider this with the depth that it requires. If all the Jesuits in the world tried to live with less, how much we could save for others! If all the Jesuits in Darjeeling in 2017/18 could live with the bare minimum, how much we could save so that the extra could be used more productively for others! I am not asking that we cut down anything specific in the community or from what we really need. But we could all find ways to have less. In an age of wanton consumerism, could we not honor poverty more, as our Mother? For example, turning off lights, a more careful use of water, less wastage at table, less of a consumerist style of living (two to three mobiles and laptops, branded clothes, shoes). All can be put under the spanner of a reality check against poverty - from our mode of travel to our life styles.

HIM DHWANI- APRIL/2017

I repeat that no one is being asked to practice mendicant poverty. That is not the Jesuit way, but simply living with less. Minimalistic! I urge all Darjeeling Jesuits in the Lord to keep this as an important way of being Jesuit in the coming months. And Ah!! A footnote – **THANK YOU ALL** for making effort to be present at NP on the 27<sup>th</sup> May. This too is poverty, poverty of the spirit!!

On the recommendation of **Fr George Pattery SJ**, President of the Conference of Jesuit Provincials in South Asia, and with the approval of **His Eminence Moran Mor Baselios Cardinal Cleemis**, the President of the Bishop's Conference, **P. Frederic Fornos, SJ**, the International Director of Pope's Worldwide Prayer Network and Eucharistic Youth Movement, has appointed **Fr Jagdish Parmar SJ**, as National Director of Pope's Worldwide Prayer Network (Apostleship of Prayer) and of the Eucharistic Youth Movement in INDIA.

#### **IRELAND: BLESSED JOHN SULLIVAN**

The first ever beatification in Ireland, that of **Fr John Sullivan SJ**, took place at 11 am on 13 May, 2017 in Gardiner Street Church. The principal celebrant and homilist was **Cardinal Angelo Amato**, Prefect of the Congregation for the Causes of Saints, and he was assisted by the Archbishop of Dublin, **Diarmuid Martin**. The Church of Ireland Archbishop of Dublin, **Michael Jackson**, was also present on the sanctuary. In his homily, **Cardinal Amato** quoted often from the submissions of ordinary people to the cause of **Fr John**. "Witnesses in the diocesan processes often repeated that **Fr Sullivan** was 'a poor man among the poor', 'the personification of the spirit of poverty'. Even though he came from a rich family, once he became a religious he was oblivious to comforts and contented himself with that which was purely necessary. Faithful to the vow of poverty, he gave immediately to others every gift he received."

#### **DEPENDENT REGION OF DARJEELING**

Having considered the various proposals made and the reasons for the same, and after consulting his Counsellors, Father General, by a Decree dated May 24, 2017, has transferred Nepal Region from being a Dependent Region of Patna Province to being a Dependent Region of Darjeeling Province to bring about greater apostolic efficacy and blessings for both Nepal and Darjeeling. ### PROVINCE ASSEMBLY

May 26 was one of the auspicious days of the year 2017 as we celebrated, as a Province, the Golden Jubilee of **Fr Joseph Pappadil, S.J.** – 50 years of priesthood in the Society of Jesus. **Rev. Bishop Vincent Aind** of the Bagdogra Diocese was present with us to give thanks to God and share our joy with **Fr Pappadil**. The Jesuit fellowship and gathering in the evening was a toast to the dedicated Jesuit life and mission of the Jubilarian among the people of Darjeeling and it was also broke the ice for the scheduled Province Day gathering on the Decrees of GC 36.

On May 27, the proceedings of the day began with Morning Prayer led by the Scholastics. Our Provincial, **Fr Kinley Tshering, SJ**, then gave us the taste of the methodology adopted at GC 36, namely, Spiritual Conversation with sharing of our individual and personal hopes. During his sharing on GC 36, **Fr Kinley Tshering** rowed deep into the Formula of the Institute, GC 35 and the Autography of St Ignatius, especially the Venice episode to propose a key to read and understand the decrees and documents of GC 36.

**Fr Wilfred Lobo SJ** then summarised for the assembly, along with the recommendation made in the GC 36, the Decree on Renewed Governance for a Renewed Mission with the triptych – discernment, collaboration and networking.

In tune with the demands and expectations made in the decrees and documents of the GC 36 from the members of the Society Jesus, **Fr Kinley**, also presented the status, the passions and glories of Darjeeling Province. **Fr Paulose Ezhakunnel SJ** released the Nepali translation by **Fr Peter Bhujel SJ** of the English Play, 'Ignatius'. **Fr Cherian Padiyara SJ** released 'Bidhaan ra Bayaan' by **Fr Peter Bhujel SJ** a Nepali translation of 'Testament & Testimony – The Memoirs of Ignatius of Loyola'. **Fr Peter Pappu SJ** released the book 'Education in Sikkim' written by **Fr Francis George Arukakkal SJ**. **Fr Lawrence Maniyar SJ [NEP]** released 'Tapaiko Charanmaa' a Nepali Bhajan album (the third album) by **Fr Peter Jong Lepcha SJ**. The Province Assembly 2017 culminated in the Eucharistic Celebration presided by the Provincial, **Fr Kinley Tshering SJ**. The North Point School was our generous and magnanimous host for the events.

#### **HLDRC, LPC, PJR PARISH - MATIGARA**

Taking a cue from GC 36, a lot of efforts are being made to create partnership with other social organizations and civil societies. The Darjeeling unit of Lok Manch has extended the collaboration with four social centres in North Bengal to alliance building with about twelve smaller NGOs and civil societies. The aim is towards working together for the implementation of some common issues like minimum wage and industrial ration in tea gardens.

**Fr Pascal Xalxo** is mobilizing different groups for a convention scheduled for 14 June to address some pressing issues. The **Fr Alvin Minj** led - weaving centre, too, has collaborated, besides TRIFED, with Drishti of Guwahati and two more organizations from Kalimpong for the better production and marketing of handloom products. Now we have also decided to network with many likeminded organizations/agencies campaigning against trafficking of persons. Two of our staff - **Seema Rani Lakra** and **Nirmala Karjee** - have been pasting posters in different gardens warning the people of 'agents' roaming around tea gardens masquerading as job providers in cities. The good news is that, acknowledging the work being done by HLDRC on PF/pension, the managers from Taipoo, Bijoyanagar, Thangjhora and other gardens have been approaching **Fr Lalit Tirkey** for help and guidance.

**Fr Fredrick Baraik** has been quietly busy blessing houses of his parishioners. On May 27 the Church witnessed the final profession of four sisters from the Daughters of the Cross presided over by **Bishop Vincent Aind**. A large number of family members of these sisters were accommodated at LPC and on the day of their departure people were seen profusely thanking **John Tigga** who on his part has ensured home grown organic vegetables and meat/fish are supplied to the guests.

### **HEYTHROP COLLEGE, LONDON**

'Jesuits sell prime London Heythrop site to a developer' – read one of the headlines of *The Tablet: The International Catholic Newsweekly of 10<sup>th</sup> May 2017*. It further elaborated 'Heythrop College, the 400-year-old Jesuit-run institution in London which specializes in theology and philosophy, has been sold.' This was followed by a private mail to the students from the college administrator confirming the news of its being sold and a few other important details regarding the next academic year. But this has not affected the regular routine of the college. The whole college is busy conducting exams and making an arrangement for probably the last Summer Ball in more than 400 hundred years history of the College. This is scheduled to take place on June 1 in the Grand Queen's House Greenwich London. Some of our scholastics are very excited about this ball. In the meantime, College Chaplaincy under the exceptional leadership of **Sr Elizabeth Ryan FCJ, Fr Paul Fletcher SJ and Joan Conway**, is busy organizing the last college Mass for 2016 – 2017 followed by a tea party. They have also come up with an idea of hosting a gratitude party, '*Not the Mad Hatters Tea Party*' on June 5 for the volunteers who have sincerely contributed in the smooth running of the college chaplaincy.

Meanwhile, the British Province has already decided to close down a few formation houses of the province from the next session. One can easily imagine the shift that is taking place in the political arena as well as the Jesuit Society of Britain. When the whole nation is going through constant terrorist attacks and the vibe of the general election, the British Province of the Society of Jesus is also moving to a new ministerial paradigm. However, this conundrum has not made a severe impact on us who are in formation. This could be due to our academic pressure or our daily lived experience. We have just finished our exams. Scholastic Anuranjan is getting ready to begin his STB class of two weeks followed by a farewell party organised by Deacon Alphonse's Community. With this party, we close this academic year. Immediately after that, both of us are going to Rome for a short visit. Deacon Alphonse will be back to the province by June 20 and Scholastic Anuranjan will fly to the US for his Arrupe month.

He enjoyed the company and was happy to meet the candidates before the ordination. On May 20, **Most Rev.
