

## America250 Celebration Picnic Unites Communities in Faith, Patriotism, Worship, and Service

The America250 Celebration Picnic, organized by the Guardian Angels Foundation, brought together hundreds of attendees in a day of faith, patriotism, culture, and community as America approaches its 250th Anniversary.

The celebration featured worship music, patriotic ceremonies, guest speakers, student recognitions, appreciation awards, art competitions, raffle prizes, and a volleyball tournament with participants from the United States and Canada.

The program began with a solo performance by Eric Jabor Sr., followed by patriotic songs from Men of Harmony and an American flag ceremony hosted by Boy Scout Troop 46.

Attendees joined in America's Creed, the Pledge of Allegiance, and "God Bless America."

Faith and Bethany from the Guardian Angels Foundation welcomed guests before a Special Prayer for America250 was offered for the nation, leaders, churches, communities, and future generations.
